Note to dealer: The information contained in this brochure was current at the time of printing. Changes to product(s) may have been made since publication. Please consult your Mercury sales representative prior to purchase.

Many fence styles are available with options not necessarily reflected here. Ask your fence dealer if you don't see the fence design or option you are looking for.

Fashionable Fencing

Mercury Excelum Fence is available in many styles to complement your home's design and architecture. Your fence is custom manufactured to fit your specific space – this means that your fence sections are proportional along the entire length of your fence – assuring you even spacing of your posts throughout.

Decorative accents, including unique post and picket caps and detailed lattice, allow you to add your own personal style. Complementary hardware options, both beautiful and durable, enhance any fence design.

Easy Care

Mercury Excelum vinyl fence is virtually carefree. UV protection helps resist color fading and the surfaces are easy to clean – just spray them with water to rinse dirt away as needed. Unlike wood, you never have to stain, paint or seal your vinyl fence.

Color Options

Don't feel fenced in by limited color choices. Along with white, some fence styles may also be available in Desert Tan and Clay.

Mercury Excelum, Inc. also offers the unique option of being able to select your fence in custom colors (champagne, brown, cranberry red, forest green, black and bronze) to complement any home exterior design or landscape theme. Color chips can be matched for special colors.

This innovative, high-performance color coating process is heat reflective, scratch resistant and does not chip or peel. Additional lead time is required for this custom option, ask your dealer for details.

**KINGSTON WITH
CLOSED PICKET ACCENT**

WOODSTOCK
Available with 2, 3, or 4 rails.

Dependability & Performance

Vinyl Fence custom tailored for you by Mercury Excelum, Inc. is made from the finest vinyl materials extruded with Royal Sierra Profiles, a division of Royal Crown Limited. Royal Crown Limited is a part of Royal Group Technologies Limited, the largest North American manufacturer of vinyl extrusions and an industry leader in vinyl innovation.

Every fence, manufactured with premium Dura Technology™ vinyl material, is constructed of a heavy-duty solid wall design made to withstand high impact and to endure the elements for years without cracking or breaking.

Rot, rust, splinters, discoloration and sharp surfaces are no longer a concern because the vinyl material eliminates problems that result from wood, wire or wrought iron.

Limited Lifetime Transferable Warranty

The limited lifetime transferable warranty on this product assures you worry-free enjoyment of your fence for years to come. Ask your dealer for details.

Why Choose Mercury Vinyl Fence?

1. Custom manufactured to assure evenly spaced posts for the entire length of your fence.
2. Heavy duty solid wall design fully warranted for lasting enjoyment.
3. Unique custom color options available to enhance your home or landscape design.
4. Mercury Excelum, Inc. is a family owned business that has been manufacturing building products since 1953. We custom make and support every fence we sell.
